

On **December 14, 2021**, Team 8D will host a S.T.E.M. Day at Henderson Middle School. This interactive event will occur during our normal school schedule and teach learners about the career field of Video Game Design. Participants will learn about being a game designer from a career specialist, evaluate game design by playing video games, analyze multiple forms of game design/genres (virtual reality, simulation, role-playing, multiplayer, real-time strategy, rhythm, puzzle, etc.), and align real world occupations with educational requirements/programs.

The cost to participate in this event is \$20.00. This fee will cover two game truck rentals (4 hours each), S.T.E.M. resources/materials, and a catered lunch for the students. If a student is unable to pay this fee, please let any Team 8D teacher know in private (email is acceptable). If a parent would like to send additional funds to sponsor a student in need, it would be greatly appreciated by the team. If your child has permission to participate in our team's S.T.E.M. Day, please fill out the information below and send in \$20 (cash preferable/checks payable to Henderson Middle School) by December 9<sup>th</sup>, 2021.

My child has permission to participate in Team 8D's S.T.E.M. Day on 12/14/2021.
