

On **Friday, September 30, 2022**, Teams 8C and 8D will host a S.T.E.M. Day at Henderson Middle School. This interactive event will occur during our normal school schedule and teach learners about the career field of Video Game Design. Participants will learn about being a game designer from a career specialist, evaluate game design by playing video games, analyze multiple forms of game design/genres (virtual reality, simulation, role-playing, multiplayer, real-time strategy, rhythm, puzzle, etc.), and align real world occupations with educational requirements/programs.

The cost to participate in this event is \$25.00 (cash only please). This fee will cover multiple game truck rentals (4 hours each), S.T.E.M. resources/materials/activities, a catered lunch, a 360 Video Photo Booth, and a few other big surprises. If a student is unable to pay this fee, please let any team teacher know in private (email is acceptable). If a parent would like to send additional funds to sponsor a student in need, it would be greatly appreciated by the teams. **If your child has permission to participate in our upcoming S.T.E.M. Day, please fill out the information below and send in \$25 by September 23, 2022.**

**We Deliver Excitement!™**

My child has permission to participate in Team 8C/Team 8D's S.T.E.M. Day on 9/30/2022.
